

## National Guard Program & Services

### HONORS

- >> CALIBRE is a proud member of the National Guard Association of the United States (NGAUS)
- >> CALIBRE is a proud member of the National Guard Educational Foundation Legion de Lafayette
- >> CALIBRE is a proud member of the National Guard Employer Support of the Guard and Reserve (ESGR)

**CALIBRE provides logistics and acquisition communities with tailored, integrated, and adaptable solutions, contributing to higher performing logistics operations at all levels.**

CALIBRE provides program management, analysis, instruction, customer assistance and database support to the National Guard Bureau and the 54 States, Territories and the District of Columbia.

#### **CALIBRE's Offerings:**

##### **>> Global Combat Support System-Army (GCSS-Army) Logistics Support.**

- Assists JANUS on the ARNG conversion from legacy Standard Army Maintenance System (SAMS) to GCSS-Army for the 54 States, Territories and the District of Columbia

##### **>> Louisiana National Guard Operations Support .**

- Supports the state's leadership with the Current Operations Multi-Echelon Process Automation Support System (COMPASS).
- Enables a Joint Operations Center (JOC) to effectively manage, analyze operations information, and provide leadership with enhanced situational awareness

##### **>> Financial Improvement and Audit Readiness (FIAR) Support**

- Assists the ARNG Comptroller with testing, examinations, training support, and the development of the Operational Audit Tracker Tool for AAA audits
- Provide assistance and support to the ARNG Audit Readiness Team to successfully achieve an unqualified audit opinion. This support enables the ARNG to be prepared for the October 1, 2016 Statement of Budgetary Resources and achieve an unqualified audit opinion for financial statements by 2017.

##### **>> Theater Aviation Sustainment Maintenance Group (TASMG) Process Improvement Support**

- Collaborates with the ARNG Aviation community on identifying potential improvements for aviation operations and logistics process flow

**CALIBRE provides ARNG Maintenance Programs with Test Measurement and Diagnostic Equipment (TMDE) Program Management, including technical support, data collection, research, analysis, and management support**

**>> ARNG Annual Financial Report**

- Provides extensive research, coordination and staffing for the ARNG G-Staff, DARNG, TAGs and Chiefs of Staff of the States, Territories and the District of Columbia
- Publishes and distributes the report to Congress, State leadership, and select DoD agencies

**>> ARNG Maintenance Program & Database Management Support**

- Supports the Corrosion Prevention and Control (CPC) Program Management, Database Management as well as Command Maintenance Evaluation Team (COMET) Program
- Provides ARNG Maintenance Programs with Test Measurement and Diagnostic Equipment (TMDE) Program Management, including technical support, data collection, research, analysis, and management support
- Supports the ARNG Logistics Division with the Depot Maintenance Program budget and Program Objective Memorandum (POM) process through requirements analysis, development, and coordination

**>> Sustainment Training Center (STC), Camp Dodge, IA Training Support**

- Provides the ARNG master level maintenance training for weapons systems and vehicle platforms
- Conducts classroom and hands-on maintenance training support for ARNG mechanics / technicians

**>> ARNG OPTEMPO Management Support**

- Supports the ARNG Logistics, Aviation, Training, and Operations Divisions management:
  - Commodity Management
  - Aviation Training Analysis Support
  - Annual Training Budget Management

**>> ARNG Aviation Logistics and Training Support**

- Supports the ARNG Aviation Division with Theater Aviation Sustainment Maintenance Group (TASMG) maintenance cost mapping reports, unit funded cost studies, and training classes at the Professional Education Center (PEC) for aviation maintenance, supply, and budget

**>> ARNG Item Management Support**

- Supports the ARNG Logistics Division with Program and Functional Management, Inventory Management, and Database Management Support

In 2015, CALIBRE was recognized as a NGAUS 2015 Legion de Lafayette, which recognizes individuals, corporations and National Guard organizations that care deeply about the Guard and preserving its heritage.

The NGAUS Conference is one the best venues for NGP and CALIBRE to establish contacts and increase the visibility of CALIBRE's business offerings with other exhibitors and the 54 States, Territories and the District of Columbia.

CALIBRE's Clark Presnell accepts the Legion de Lafayette.
